CONGRATULATES

2008-2009 President of the IEEE Intelligent Transportation Systems Society

William T. Scherer
Professor in the Department of Systems and Information Engineering

ELECTED BY
The Intelligent Transportation Systems Society, Institute of Electrical and Electronics Engineers
William T. Scherer
2008-2009 President, IEEE Intelligent Transportation Systems Society

William T. Scherer, an expert in decision analysis and intelligent systems design, has been elected to serve as president of the IEEE Intelligent Transportation Systems (ITS) Society from 2008 to 2009.

The ITS Society advances the theoretical, experimental and operational aspects of electrical engineering and information technologies as applied to transportation systems.
