UVA Engineering
Transfer Information Session
List of Questions Asked

1. Can a transfer applicant apply simultaneously for on-campus (on-grounds) and online (PRODUCED) admission? (0:00 mark)

2. How recent do SAT / ACT test scores need to be? (1:45 mark)

3. Would a PRODUCED program student, studying towards the Bachelor of Science degree in Engineering Science with minors in Mechanical Engineering and Electrical Engineering have to travel for lab activities? (2:20 mark)

4. How difficult is it for a transfer student to be admitted to the aerospace engineering program? (3:30 mark)

5. What is the minimum GPA needed for a transfer student to be competitive for admission to UVA engineering? (4:45 mark)

6. Must a transfer student complete the associate degree before transferring to UVA? (5:25 mark)

7. Can a student study part-time in the PRODUCED program? (7:00 mark)

8. Will the PRODUCED program expand to offer the Bachelor of Science degree in Computer Engineering? (8:25 mark)

9. Will the PRODUCED program mechanical engineering degree also offer access to minors? (11:00 mark)

10. How will retaking a class affect my chance for admission? (11:45 mark)

11. In the PRODUCED program, can I take classes anytime, anywhere? (13:10 mark)

12. Are there internship opportunities in northern Virginia? (14:30 mark)

13. When a student earns an associate degree, does UVA consider the student’s overall GPA at the community college or only the performance in classes of the associate degree? (15:20 mark)

14. Do mid-term grades and letters of recommendation strengthen an application? (16:30 mark)

15. Can I transfer into a specific branch of civil engineering at UVA? (18:30 mark)
16. Are PRODUCED program courses recorded, and are the recordings available for download? (19:35 mark)

17. How are tests and exams administered in the PRODUCED program? (20:15 mark)

18. Who should I ask for recommendations, and where are those recommendations sent? (21:30 mark)

19. My associate’s degree will be in math. Would I be considered for admission to UVA engineering? (22:15 mark)

20. Does UVA have a “hybrid” online program with live lectures during the week and in-person lab activities on the weekend? (23:20 mark)

21. Are PRODUCED program students able to get involved in club and national competition type activities of the engineering school? (25:25 mark)

22. What GPA and SAT / ACT scores should a freshman transfer student have earned in order to be competitive for admission? (27:20 mark)

23. Where do I find the UVA engineering transfer application? (28:30 mark)

24. What is the minimum GPA requirement for transfer admission to UVA engineering? (29:10 mark)

25. When calculating a transfer student’s GPA, how does UVA handle the grades in classes that a student has repeated? (30:30 mark)
