RESEARCH LABORATORY INTERESTS

Please visit the University of Virginia School of Engineering and Applied Science website or College of Graduate School of Arts and Sciences website and review the science, technology, engineering, and mathematics area(s) of: Astronomy, Biology, Biomedical Engineering, Chemical Engineering, Chemistry, Civil & Environmental Engineering, Computer Engineering, Computer Science, Electrical Engineering, Environmental Science, Material Science and Engineering, Mechanical & Aerospace Engineering, Neuroscience, Physics, and Systems Engineering and faculty research.

After narrowing your interests down to your top three, rank the research laboratories in order of preference, and tell why you wish to work in that research laboratory in 100 words or less.

If you have any questions, please contact Carolyn Vallas, prior to submitting your application.

1st Research Laboratory
Choice/Faculty Member's _____
Name

Why do you wish to work
in this lab?

2nd Research Laboratory
Choice/Faculty Member's _____
Name

Why do you wish to work
in this lab?

3rd Research Laboratory
Choice/Faculty Member's _____
Name

Why do you wish to work
in this lab?

SUPPLEMENTAL INFORMATION

Request two letters of recommendation from faculty who are familiar with your academic and research capabilities. These faculty members must send the letter of recommendation directly to the address below by February 22, 2016.

351 McCormick Road PO Box 400255
Thornton Hall D-111
Charlottesville, VA 22904
