Request Program or Plan Change

Name
(last, first middle)

University or SIS id

Current Program:
(department)

Current Plan
(degree)

Change PLAN (degree) only.

- I am in a master's degree plan and request admission to the PhD plan in my current department/ program without completing a master's degree.
- I have completed or will complete my master's degree and request admission to the PhD plan in my current department/program beginning (term/year).
- I request to change my academic plan (degree) within my current department/program. I have not completed nor will not complete my current degree and I am not requesting to bypass the master's.
Desired Plan (degree)
- I am in a PhD degree plan, but will obtain a Master's degree (select type: MS or ME) in my current department/program during (term/year). I will then continue on my PhD studies in my current department/program during (term/year).
